

## Book

*At Superhero day on Monday 27<sup>th</sup> February, to include a super hero training school instructor visit! The children are invited to come to school dressed as a Superhero (real or imaginary!) and will take part in a day of Superhero activities.*

## English

*We will be reading lots of Superhero stories and finding out about the different characters in them. We will then learn a character description for a superhero and then write our own.*

## Superheroes! Year 1 Spring 2 2017

## Science

*We will be learning about everyday materials. We will use vocabulary such as wool, plastic, glass, metal, water and rock to name materials, describe the simple physical properties of materials and compare and group together a variety of everyday materials on the basis of their simple physical properties.*

## Maths

*The children will be learning fractions, in particular halves and quarters of shapes.*

*We will be revisiting the operations of addition and subtraction, and using these with money.*

*We will also be looking at volume and capacity of containers,*

## RE

*We will be learning about Easter and new life.*

## Computing

*The children will be using a draw package to draw a super hero picture and write a sentence about it using word processing skills they learnt last term.*

## Outcome

*You are invited to share your child's learning of their own Superhero character descriptions and vegetable super hero's they made themselves!*

*Bring your super powers!  
Dare to be confirmed.*
