

Special Events

The Queens Birthday

This is a special celebration week where we will learn all about the Royal family and the Queen. On Friday 10th June we will dress in red, white and blue and finish the week with a Royal parade.

Aspirations week

During the week commencing 27th June we have a fun filled week planned where we will be thinking about our aspirations. We will hear from lots of important people about their aspirations too.

History

In History we will be discussing the sinking of the Titanic. We will be looking at the story of Captain Edward Smith. We will relate to our own lives and take part in debates and discussion about choices we may have made during this significant event.

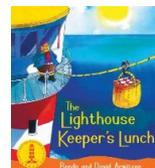

Geography

We will learn about North, South, East and West and practise giving instructions and directions to friends using these words.

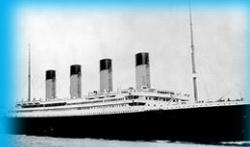

English

We will begin looking at the story of the Lighthouse Keepers Lunch by Ronda and David Armitage. We will be writing a character description about some of the characters before having a go at planning and writing our own story with a similar setting.

The Tale of... The Titanic

Summer 2 2016

Science

In science we will be learning to identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper, and cardboard for particular uses. We will explore and discuss the properties of a range of materials and discuss which materials are suitable for different purposes.

Maths

In maths this half term we will be ...

- Recapping methods for all 4 operations (addition, subtraction, multiplication and division)
- Investigating missing number problems and finding ways to calculate the answer.

We will also be taking part in an enquiry about the Queens birthday party. The grown ups will look at how we do and aim to teach us new things we don't already know.

Art

In Art we will be looking at drawings and paintings of the Titanic by different artists. We will be evaluating their work before drafting and redrafting our own ideas before completing our own.

We will be inviting you to our Leavers assembly on Wednesday 13th July (2pm) Thursday 14th July (10am) Further information to come soon.
