

RE

We will be learning about the concept of 'remembering' through the Hindu faith and the birthday story of Krishna.

Forest Learning

Describing natural materials found in the forest. Team building games.

Computing

The children will be using the 'Purple Mash' programme. We will be designing backgrounds, characters and making them move.

Music

The children will continue to develop their singing skills and playing tuned percussion instruments.

Literacy

We will be reading lots of Superhero stories and finding out about the beginning, middle and end of stories. We will explore comic strips and create our own.

We will learning the grammar rules for using the prefix un -

We will be focusing on using capital letters when writing names.

Superheroes! Year 1 Summer 1 2019

Science

We will be learning about everyday materials. We will identify, sort and describe materials such as wool, plastic, glass, metal, water and rock.

Maths

The children will be learning multiplication and division. They will be using number lines to solve addition and subtraction problems.

Reading

Please read with your children 5 times per week to gain reading stars. Keep looking at the red words in the books.

PE

The children will be creating their own sequences in rhythmic gymnastics. Outside - they will be developing athletics skills.
