

Hook for learning

A special delivery of...
Titanic discovery box

To support our historic understanding.

History

We will be studying the significant event of 'the sinking of the Titanic'. We will be asking questions about what life might have been like and how it was different.

Science

We will developing our scientific enquiry. We will be completing a range of investigations where we will...

Performing simple tests.

Record observations.

Use observations to explain why something might have happened.

English

In Literacy we will be creating a diary entry as a passenger on board the Titanic. Before writing we will take part in lots of drama to help us understand what it may have been like to travel on board the titanic.

We will then be planning and writing a portal story.

I WILL SURVIVE

Spring 2 (6 weeks)

Geography

During this topic we will be developing our locational knowledge. We will be consolidating our understanding of the continents and oceans around the world. We will be using world maps to support our understanding and use of compass points.

Maths

In maths we will be learning...

Shape 2D and 3D

Place value and money

We will learning to partition numbers in different combinations of tens and ones e.g. 35 is...

$30+5$ $20+15$ $10+25$ $10+10+10+5$

We will then move on to finding different combinations of coins that equal the same amounts of money and learning to recognise and use the symbols for £ and pence.

Addition and subtraction

We will be learning how to add and subtract...

- A 2 digit number and tens
- Two 2 digit numbers.

Computing

During our computing sessions this half term we will be using Purple mash to practise 'Effective searching'. We will learning how to search for information on the internet effectively and safely. We will be learning how to take a digital image, save and edit it.
