

Welcome
back to
school

When you come into
school follow the arrows
to your classroom patio.

You will be in
Badger
Classroom.

Thursday	Mrs Cragg 	Mrs Sturman 	Mrs McTaggart 
Friday	Mrs Cragg 	Mrs McTaggart 	

We are really looking forward to seeing you. The adults in your class will listen to any worries or questions you have and help you to solve them.

Your classroom will look different but there will still be lots of exciting activities.

There will be up to 15 children in your classroom.

When you come into school you will have your temperature taken by one of the adults in your class.

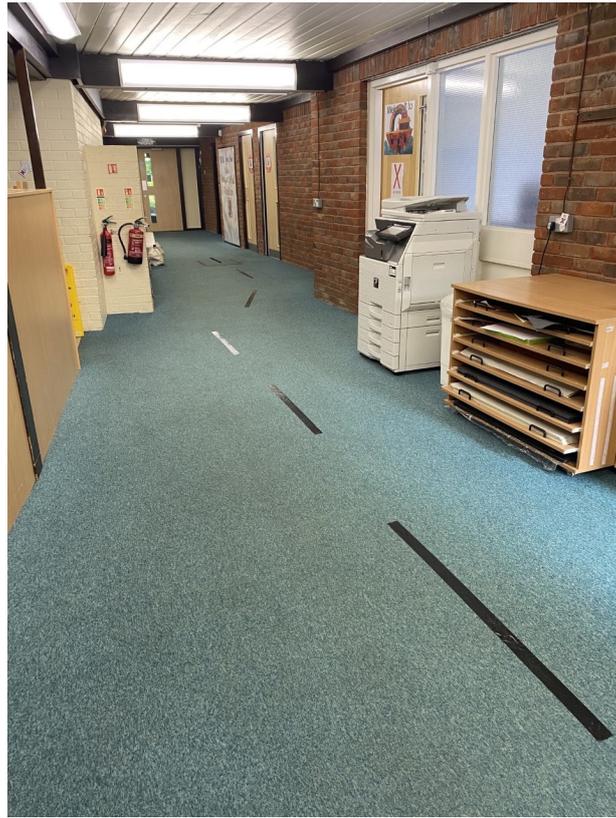

These are the toilets your
class will be using.

These toilets are just for
the
Badger class.

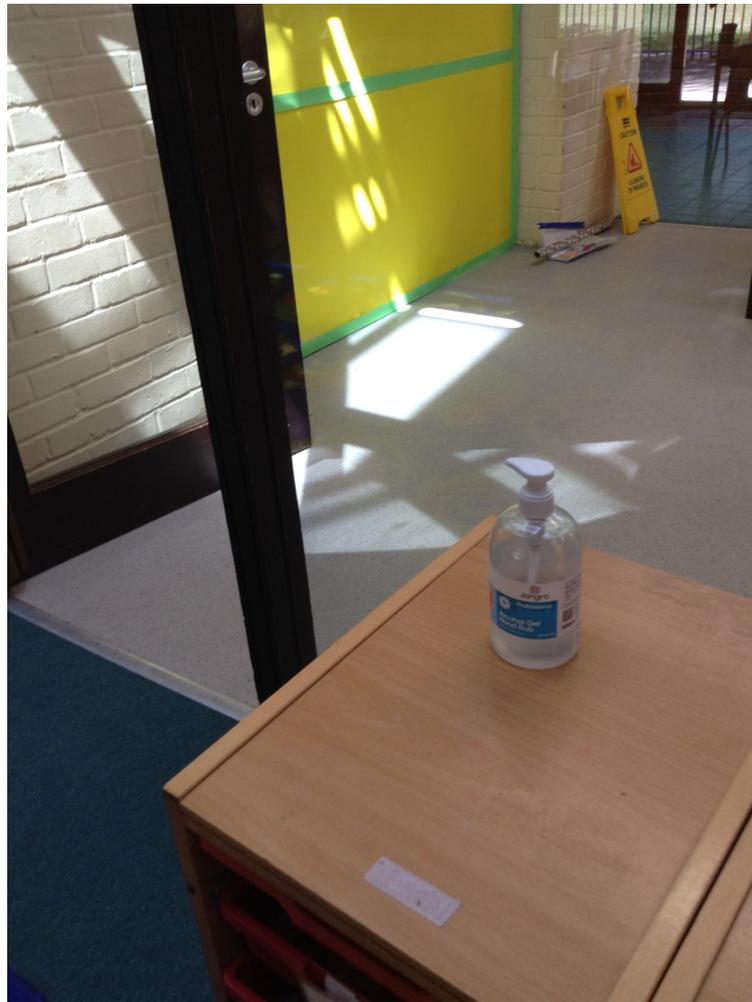

Happy
Birthday!

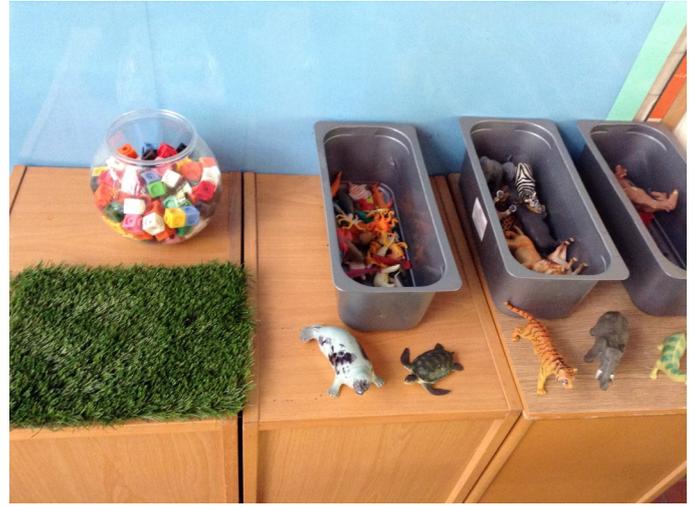

You will be asked to wash your hands while you sing 'Happy Birthday' twice when you come into school in the morning. You will be asked to do this lots more times during the day.

There will be markings on the floor to help you stay on one side so others can pass safely. It looks just like a road.

After you have been to the toilet and washed your hands when you return to your classroom you will also use hand gel to make sure your hands are super clean.

There will be equipment and toys you can use. The adults in school will clean these often so it is safe to use.

Some of the equipment is stored away as this is difficult to clean. In the future you will be able to play with this equipment again.

You will have fun outside
at playtime with the
friends in your class. We
can play on the Treehouse
Field.

You will eat your lunch
with your class friends in
your classroom.

Your lunchtime supervisors across the week are Mrs Popplewell, Mrs Buller and Mrs McEwan. They will be with you while you eat your lunch and go out to play.

The grown ups will help you to be in your own spaces as much as possible and socially distance. They know it is tricky to stay apart from your friends.

Your class adult will wear protective equipment to help keep you and themselves self for example if they are doing first aid.

Here is what they will wear.

If you become unwell in school the office team will wear protective equipment to keep you and themselves safe whilst they are looking after you.

Apart from my teachers, the only other adults that might come into my class are Mrs Bedson and Mrs Page. Here is what they will look like when they see you.

When you leave school follow
the arrows to the exit gate.
Stay close to your grown up.

We are really looking forward to seeing you in school. We have missed you all.

We have some exciting learning to share with you and look forward to hearing all your news.
