

This half term we will be using these books as a driver for much of our learning and discussion.

Autumn 2 2020

## English

In Literacy we will be learning about a range of Fables. We will be writing a recount of the race between Tortoise and the Hare. We will be learning how to use question marks in our writing and will use this to ask questions about the characters in each book.

## Science

### Living things and their habitats

We will be learning about animals and the habitats they live in. We will be exploring the natural environments of animals and why they are suited to that habitat.

### Rainbow curriculum

We will be learning about to take time for ourselves and love ourselves. We will use a range of stories to do this such as 'Same but different too', 'The Smeds and the Smoos'. We will also be learning what it means to be thankful and hopeful.

## Maths

In maths we will be learning to recall number bonds to 20 with equipment, then pictures and finally through recording number sentences.

$$\text{e.g. } 11 + 9 = 20 \quad 18 + 2 = 20$$

We will also be learning corresponding subtraction facts to 20 e.g.  $20 - 2 = 18$ .

We will then move on to grouping and counting objects in 2s/5s/10s.

## Design Technology

Christmas pop up cards

## Art

Printing

## Geography

UK – countries, capitals and weather patterns
