

This half term we will be using these books as a driver for much of our learning and discussion.

Autumn 1 2020

English

In Literacy we will be learning about a range of Traditional Tales. We will be sequencing our writing to create instructions for 'how to make a gingerbread man'. We will be learning to use exciting adjectives to create a character description of Goldilocks.

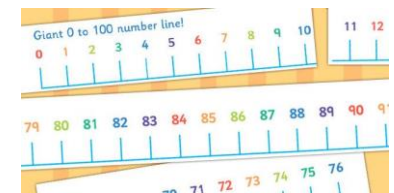

Rainbow curriculum

We will be introducing our new superhero RAINBOW DOG. We will be learning how to look after our mental well being through child friendly resources. We will be sharing our holiday homework rainbows with our new teachers and our friends. We will be learning how to use our class comfort corner and label and identify emotions in our feelings check in. We will also be learning about belonging and will be creating a class jigsaw to show that although we have different ideas and interests we all belong together as a class team.

Maths

In maths we will be learning how to represent numbers with a range of resources. We will be counting to and across 100, forwards and backwards from any number.

Computing

Creating pictures and stories on paint programs
