Science

We will be learning about what plants need to grow. We will be planting seeds and bulbs, take care of them and watch them grow.

The children will learn about the main parts of flowers and trees. We will be labelling plants and writing facts. We will also be learning about things that are living, dead and things that have never lived.

Art

Observational drawing & painting = we will be looking closely at plants, flowers & vegetables. We will then be drawing and painting what we can see.

We will also be learning about printing, create our own printing tiles and make our own prints.

Computing

We will be practising logging on and logging off. The children will continue to develop their mouse control skills. The children will be grouping and sorting shapes. We will also be looking at Pictograms and making some on the laptops.
purple mash

Literacy

Our focus texts will be: The Gigantic Turnip and Oliver's Vegetables.

We will be learning to retell the traditional tale: 'The Enormous Turnip'.

We will be writing part of the Enormous Turnip story and writing a recount using days of the week.

Roots, Shoots & Muddy Boots!
Year 1
Spring 2 2020

RE

We will be learning about the feelings happy and sad.
We will be looking at the Easter story and how it is important to Christians.

Music – We will be learning some new songs. The children will be learning to play instruments to create different sound textures.

Red text are SMSC opportunities (Social, moral, social and cultural)

Maths

Adding and taking away with numbers to 20. We will be using a number line.
We will be working on number bonds to make 20.

We will be learning about place value involving numbers up to 50.
How many tens and ones are in a number?

PE

We will be practising throwing and catching skills.
We will also be doing Gymnastics using apparatus.

Forest Learning

We will be continuing to look for seasonal changes and exploring nature.
We will be looking closely at types of trees and the signs of Spring.
