

Hook for learning

We will be looking for creatures that live in the forest.

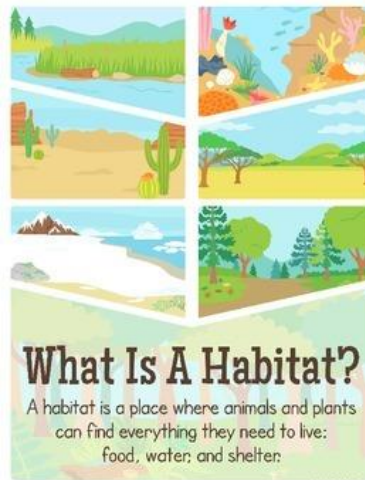

English

In Literacy we will be writing our own diary entries based on the book Clem and Crab. We will also be looking at poetry.

All creatures great
and small

Summer 1 2021

Maths

Time

We will compare and sequence intervals of time. Remember the number of minutes in an hour and the number of hours in a day.

Money

We will be looking at ways to give change.

Number and Place Value

We will be looking at different ways to partition a 2 digit number and counting in tens from any number eg 89, 79, 69, 59.

Addition and Subtraction

We will be learning how to find the difference by using bar models to help us.

Shape

We will identify the properties of 2D and 3d shapes.

RE

We will be learning about the concept of authority in RE. We looking at stories from the Christian bible and discussing the effect of the authority of Jesus.

Science

We will be developing our scientific knowledge. We will be consolidating our understanding of life cycles and also learning how animals live in habitats to which they are suited.

Computing

During our computing sessions this half term we will be using Purple mash to generate pictograms and bar graphs based on our findings in the forest.
