

Hook for learning

A delivery of recycling and single use plastic. What should we do?

Art

We will be using a range of materials creatively to design and make a collage of an animal.

We will look at the work of the artist Brigette Picavet

Science

We will be learning about the properties of materials and how they can be changed.

RE - Remembering

During this half term we will be learning about the Hindu festival of Holi. We will be describing, in simple terms, ways in which we remember events or people.

Literacy

In Literacy we will be writing our very own fact file with information on plastic waste and what we can do to help reduce our use of plastic.

We will write letters based on the importance of protecting the planet.

Planet Protectors

Spring 1 2022

We will focus on the importance of protecting the planet and the impact of plastic pollution around the world.

Geography

During this topic we will learn to name and locate the continents and oceans of the world. We will be using maps and atlases throughout. We will also be looking at life of Sir David Attenborough.

Maths

In maths we will be learning...

Addition and Subtraction

We will be learning how to add and subtract 2 digit numbers to 2 digit numbers and use our knowledge of number bonds to bridge through 10.

Time

We will be learning how to tell and write the time to the hour, half hour and quarter past/to and to draw the hands on a clock face.

Fractions.

We will focus on $\frac{1}{2}$ and $\frac{1}{4}$ of shapes and amounts as well as looking at equivalent fractions.

Measure

We will measure weight/mass in kg/g

How to support the learning:

Use everyday opportunities to tell the time..

Practice counting in 2s 5s and 10s

Log on to google maps and locate the Earth's continents..

Look at what you are throwing away. Could it be recycled?
