

## Hook for learning

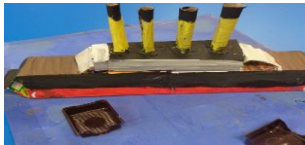

### All Aboard!

You will receive a **ticket**. What is it for? Where are you going?

What will your experience be like?

**We will be looking at artifacts**

Where do they belong?

### Art & DT

Junk modelling Titanic - We will design and make our own Titanic as well as learn how to draw the famous ship..

## Science

We will perform experiments to investigate sinking and floating

## RE

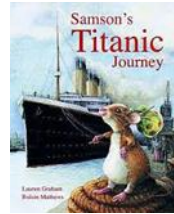

### 'Welcoming'

We will be looking at Palm Sunday and how Jesus was welcomed into Jerusalem

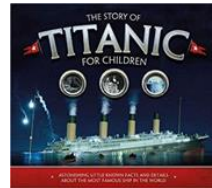

## English

We will present information about life on board the RMS Titanic in a non Chronological report.

We will write a diary entry from the point of view of a passenger on the Titanic.

## All Aboard!

Spring 2 2022

This half term we will be looking at life on board the RMS Titanic and the events that happened in 1912. We will use this historic event to help us with our writing, history, geography, art and DT as well as science. We will even visit the Titanic gift shop in maths.

## Maths

In maths we will be learning...

### Addition and Subtraction

We will be finding out about related facts and how to find the inverse.

### Money

We will be learning how to combine different amounts in £s and pence and how to give change.

### Fractions

We will be working on finding out fractions of amounts.

## History

We will journey back in time to 1912 and look at the historic events that happened on board HMS Titanic

## Geography

During this topic we will look at compass points the Oceans around the world
