

## Design Technology

We will be practising our cutting and peeling skills by designing and making healthy fruit kebabs.

## Art

We will be printing using a variety of objects to create patterns. We will then make prints using our own printing tiles, ink and rollers. We will learn about the artist Andy Warhol.

## Music

The children will be developing their singing skills. We will be exploring, responding to and recognising solo sounds and layers of sounds. We will also be exploring, responding to and recognising simple structures including openings and endings, beginning-middle-end, echoes and responses.

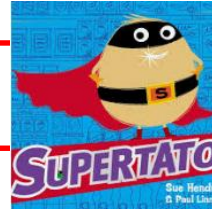

## PE

The children will be taking part in athletics activities in outdoor PE and learning racket skills during indoor PE sessions.

### PE days:

Mondays = indoor PE  
Tuesdays = outdoor PE

The intent of this topic is to gain knowledge of our local environment and the United Kingdom.

## Literacy

We will be reading lots of Superhero stories including 'Supertato'. We will be creating our own Superheroes and recording their super powers. We will be focusing on using question marks in our writing and using the word endings 'ed', 'er' and 'est'

## Heroes & Villains! Year 1 Summer 1 2022

## PSHE

We will be learning about relationships in our Jigsaw learning. We will learn about families and how to make positive friendships with others.

## RE

We will be learning about the concept – Remembering.

## Maths

We will be continuing to count in 2s, 5s & 10s to solve multiplication and division problems. We will also continue to practise our number bonds to 10.

We will be weighing objects and using the language of heavier and lighter to compare objects weight.

We will continue to add and subtract numbers within 20.

## Geography

We will be naming and locating the 4 countries of the United Kingdom and their surrounding seas. The children will name the capital cities of the countries in the UK and talk about some of their characteristics. We will be looking at and drawing maps of the local area and our school grounds.

We will also be learning about physical and human features in the world around us.

## Computing

We will be creating our own superhero e-book using the Purplemash software. We will add animation and sounds to our stories.
