

Science

We will be learning about what plants need to grow. We will be planting seeds and bulbs, take care of them and watch them grow.

The children will learn about the main parts of flowers and trees. We will be labelling plants and writing facts. We will also be learning about things that are living, dead and things that have never lived.

Design & Technology

We will be learning about different types of fruit and vegetables. We will be designing and making our own fruit kebabs.

Art

Observational drawing & painting = we will be looking closely at plants, flowers & vegetables. We will then be drawing and painting what we can see.

Computing

We will be learning about following instructions (algorithms). We will also be using the arrow keys to complete challenges.

purple
mash

Literacy

Our focus texts will be: The Gigantic Turnip and Oliver's Vegetables.

We will be learning to retell the traditional tale: 'The Enormous Turnip'.

We will be writing part of the Enormous Turnip story and writing a recount using days of the week.

Roots, Shoots & Muddy Boots! Year 1 Spring 2 2022

RE

We will be learning about the feelings happy and sad.

We will be looking at the Easter story and how it is important to Christians.

Music

We will be learning some new songs. The children will be learning to play instruments to create different sound textures.

Red text are SMSC opportunities (Social, moral, social and cultural)

The **intent** of this topic is to learn about living things and know what things need grow and thrive.

Maths

We will be in counting in 2s & 10s. We will also be solving addition and subtraction problems and recording number sentences using the + - & = signs.

We will be learning about weight, measuring and recording.

We will be using the language of heavy/light, heavier/lighter, heaviest/lightest.
