

## English

We will be writing a variety of outcomes for Clem and Crab including a fact file, a senses poem and a diary entry written from the perspective of Clem.

We will be writing a setting description and continuing to write part of the story in a short narrative piece.

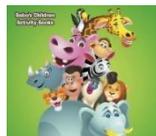

## Hook for learning -

### All Creatures Great and Small

We have some special friends coming to stay for a while as we follow the life-cycle of a butterfly!

The intent of our topic this half term is to enable the children the opportunity to apply known skills from across the curriculum independently and in a new context. The children will be encouraged to draw upon their own experiences and bring their own unique ideas and viewpoints to the learning. We will also be learning about the importance of considering and respecting the viewpoints of others linked to areas across the whole curriculum.

## All Creatures Great and Small

Summer 1 2022

### PE

In PE this half term we are looking at orienteering and athletics in preparation for Sports Day in the Summer term.

### RE

#### 'Authority'

We will be looking at why people listened to Jesus and what 'authority' means to us now.

## Maths

In maths we will be learning...

### Four operations

We will be continuing to practise and apply the methods we have been taught to solve addition, subtraction, multiplication and division problems. This includes unpicking word problems using RUCSAC.

## Art & DT

We will be doing some observational drawings of some flowers as we welcome Spring. We will be looking at our pencil technique while doing so.

## Science

We will be looking at food chains and life cycles of different animals, including humans.

## Jigsaw

### 'Relationships'

This half term we will be looking at relationships that he have with our friends and families.

## Geography

We will be finishing our work on the 7 continents and will look at weather patterns around the world.
