

Our intent is to support the children to become confident, happy learners, through providing an engaging, exciting curriculum based on the children's unique needs and interests.

Expressive Arts and Design

This half term we made Fathers day cards, bubble wrap paintings and collages.

Transition The children will visit their new teachers and year group on Tuesday 12th July. You will also be invited in after school on this day for a stay and play session in their new classes. We will be having **circle times in class to help with this transition** and discuss any feelings or worried that the children have.

12345 Maths

This term in maths we will be covering the following: Number facts to 5, number facts to 10, doubling, sharing, odd and even, counting to 100 and spatial reasoning.

Physical Development

Kinetic Letters: working on large body movements.

PE - throwing and catching, running races, balancing, jumping -for **SPORTS DAY!**

Funky Fingers - Dough disco.

Fine motor skills e.g. cutting/ threading .

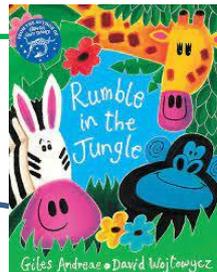

Bikes and Trikes.

Climbing on the play trail.

Daily Go noodle/ Just dance

Personal, Social and Emotional Development

This term we will be continuing our new PSHE program **Jigsaw**. This half terms focus is **Changing Me**, where the children will learn about the ways they have **changed since they were a baby** to now, in terms of what they can do now, compared to what they couldn't do when they were babies for example. Also within this change topic, we will explore body parts, healthy foods and the **feelings about changes such as growing families, and changing classes and year groups**. Within the Jigsaw program we will continue to **practice mindfulness within calm me time**.

Year R

Animal Kingdom!-Summer 2 2022

Here is what the year R children will be experiencing this half term.

Communication and Language

Our book talk this half term will be focusing on under the sea and land animals . We will continue to practice our speaking and listening skills during **listening games, songs, jigsaw sessions, circle times** and through play. We will encourage the take turns listening and responding appropriately.

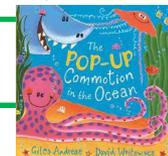

Understanding the World

Forest walks will continue this term, our focus being **signs of Summer**, We will also be learning about under the sea and land creatures. We will look at their habitats and climates. We will explore Google maps to look at the earth and where these animals live. We will be learning about farm animal on our trip. We will be celebrating **Fathers day, Clean air scooter challenge, Armed Forces day, sports day and we will have our whole school trip. In RE we will be learning that water is precious.**

Literacy

We will be introducing the text **Commotion in the Ocean**, **Rainbow Fish** and **Rumble in the Jungle** as the topic hook. Our writing focus has remained to write a simple to make a fact/ information page. We will be introducing Colourful semantics to help the children's writing. In Kinetic letters we will be revisiting all the letter families and begin how to write numbers. We will also introduce snuggled pairs of letters. Please continue to read at home and record these in your child's reading diary.

Red text are SMSC opportunities (Social, moral, social and cultural)

Ideas to support your child in Year R's learning at home

Go on a shape hunt around the house. What items can they find that are cones, cuboids, cubes, spheres or pyramids?

Make up a dance to your favourite song

Watch an episode of Andy's Wild adventures on Cbeebies and find out about an animal.
<https://www.bbc.co.uk/cbeebies/shows/andys-wild-adventures>

Play a game (phase 2), like picnic on pluto, on www.phonicsplay.co.uk

Explore finding things that are heavy and light or heavier and lighter around the house.

Practice holding your pencil in the 3 friends hold like this.

Practice throwing and catching a bean bag or ball with a partner

Continue to challenge your child to stay reading/writing in a Strong Lizard, staying longer each time.

Choose a book to share on Oxford Owl:
