

Science

We will be learning about our senses and labelling parts of the body.

PSHE - Jigsaw

We will be talking and learning about celebrating differences. We will share how we are all different and have different likes and dislikes. We will learn about using kind words and know how to give compliments to others.

Geography

We will be learning about Scotland, it's capital city and key landmarks. We will look at the map of the UK.

PE

We will be learning balances and different ways to move our bodies in gymnastics. We will also learn to use equipment safely. We will also be learning doing circuits.

The intent of this topic is to teach the children about respecting the things that make people similar and different.

Rhyme Time Year 1 Autumn 2 2022

Art

We will be making Diva pots using clay and decorating using paint and glitter. We will also be creating Picasso style self portraits.

RE

We will be learning about the Hindu festival of light called Diwali. We will also be learning about how Christians celebrate Christmas.

Red text are SMSC opportunities (Social, moral, social and cultural)

Literacy

We will be reading rhyming stories. Our writing focus will be, to write simple sentences using capital letters, invisible pairs (spaces) between words & full stops. We will learn to join our ideas using the word 'and'. We will also be learning about words with 'ed' endings and using them in our writing.

Computing

We will be practising logging on and off, saving work and opening previously saved work. We will also be grouping and sorting shapes on the computer.

History

We will be learning about the Gunpowder Plot and how & why people celebrate Bonfire Night.

Maths

We will be learning to count in 2s to 20. Practising sharing amounts and halving shapes.
