

The intent of this topic is to gain knowledge of significant figures in history. The children will be able to talk about the similarities and difference of explorers experiences.

Moon landing & Endurance expedition.

History

The children will learn about the explorers: Sir Ernest Shackleton & Neil Armstrong. We will be comparing their missions, **looking at similarities and differences.**

DT

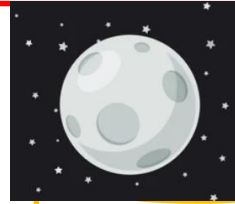

The children will design and make their own Moon/Arctic explorer buggy. They will explore how wheels and axles work and use these in their buggy models.

Art

We will be learning about mixing primary colours to make secondary colours.

RE

We will be looking at the Christian faith.
We will be learning from stories that Jesus told.

Explorers!

Year 1

Spring 1 2023

Literacy

We will be learning to retell the story of 'Lost and Found' by Oliver Jeffers. We will record the story writing sentences using capital letters and full stops. We will be using 'and' to join sentences when writing a letter

How to support at home

- Practise reciting the number bonds to make 10.
- Visit the library to look at Space books and books about Antarctica.
- Go for a walk and look for seasonal changes.

Maths

We will continue to learn and practise the numbers bonds to make 10. We will be recording addition and subtraction number sentences.

We will be looking at numbers beyond 10 and finding out how many tens and units are in a given number.

PE

We will be learning about agility and moving in different ways.

We will also be dancing using different sports actions as our inspiration.

Forest Learning

We will be looking for seasonal changes, den building and exploring nature.

Computing

We will be using our new laptops to: logon to Purple Mash, create an avatar, draw using paint, save and open folders.
