

The intent of this topic is for children to be a part of nature and to experience and explore natural life. We will be also be recognising and celebrating the importance of King Charles' coronation.

Jigsaw

We will be talking about relationships with our friends and family and how to nurture them.

History

In celebration of the King's coronation, we will be learning about some monarchs past and present to recognise and celebrate the importance of the event.

Geography

We have been learning about the equator and how this affects the temperature of different countries.

Literacy

We will be focusing on writing a recount of Clem's journey to the beach from our text Clem and Crab as well as continuing the narrative of Bear and the Piano from a certain point.

All Creatures Great and Small Year 2 – Summer 1 2023

PE days = Monday & Tuesday

Please ensure your child has their PE kit in school.

Library day = Thursday

Please ensure library books are in book bags on Thursday mornings.

Please send book bags into school every day.

Science

We will be learning about the force of pushing and pulling and how this affects movement.

Maths

We will be looking at the four operations in preparation for our special quizzes – looking at both number problems and word problems. We will be revisiting key concepts such as time, statistics and fractions as well.

RE

We will be learning about the meaning of 'authority' and how this links to the Christian religion.

Computing

We will be using Purple-Mash to look at creating spreadsheets linked to our topic about creatures.

PE

We will be learning athletic skills in PE this half term focusing on running, jumping and throwing.
