

WE NEED YOU!

Would you like to be part of supporting our school community and making a real difference?

Have you ever considered working in a school?

Volunteering is one of the best ways to start your journey. Due to the experience our volunteers have gained means that many of our volunteers have gone on to be successfully employed as part of our team.

Do you have a particular skill you would like to share e.g. cookery, sewing, art?.....

Volunteers are such a valuable and important part of our school. You can volunteer to support in a range of ways and for as much or little time as you are able to offer.
