

Elson Infant School Curriculum Intent

The RE curriculum at Elson intends to deliver the requirements of Living Difference IV by exploring Christian and Hindu religions. This will be delivered through the Golden Thread concepts of Community, Belonging Special and Love alongside the concepts of thanking, new life welcoming, remembering and celebration.

To apply their experiences to those of others and to recognise there are ways of life that are different to their own.

Creating memorable learning experiences that allow children to inquire about religions and cultural celebrations

Exploring diversity, culture, traditions beliefs and values.

Our R.E. curriculum
enables our children to
SHINE by...

Providing challenging questions for children to consider their own and experiences.

Supporting children to become successful learners, confident individuals and responsible citizens.

Developing their sense of identity and belonging

Celebrating individual achievements and successes
