

The intent of this topic is to gain knowledge of significant figures in history. The children will be able to talk about famous explorers and their expeditions.

## History

The children will learn about Ernest Shackleton and Neil Armstrong. We will be comparing their expeditions, **looking at similarities and differences.**

## Art

We will be colour mixing and using paint to create Arctic pictures.

## Music

We will be learning to play the recorder.

## RE

We will be looking at the Christian faith.  
**We will be learning from stories that Jesus told.**

**Red text are SMSC opportunities (Social, moral, social and cultural)**

## PSHE – Jigsaw

**We will be talking about our dreams and goals.**

## Explorers! Year 1 Spring 1 2024

## Literacy

We will be reading fiction and non-fiction books related to Antarctica and Space. We will be using the conjunctions 'and' and 'because' in our writing. We will also be retelling a familiar story and writing a letter.

## Science

We will be learning about different materials their properties and uses.

## Geography – UK

We will continue to learn about England and Scotland and their significant landmarks.

## Maths

We will continue to learn and practise the numbers bonds to make 10. We will be recording addition and subtraction number sentences.

We will be learning about time, o'clock and half past. We will also look at shapes 2D & 3D and mass.

## PE

Multi-skills - We will be practising sending and receiving skills.

We will be travelling in different ways with control and coordination. We will be taking part in team games.

## Forest Learning

We will be looking for seasonal changes, den building and exploring nature.

## Computing

We will be learning about algorithms = following and creating simple instructions on the computer.
