

Science

We will be learning about what plants need to grow. We will be planting seeds and bulbs, take care of them and watch them grow.

The children will learn about the main parts of flowers and trees. We will be labelling common plants and trees. We will also be learning about things that are living, dead and things that have never lived.

Art

Observational drawing & painting = we will be looking closely at plants, flowers & vegetables. We will then be drawing and painting what we can see.

We will be learning about Andy Warhol and exploring tile printing. We will be printing using repeating patterns.

Computing

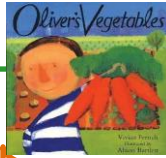

We will be learning to use the direction keys to complete the challenges successfully. We will also be learning to create and debug a set of instructions (algorithm).

Literacy

We will be sharing the story 'Oliver's Vegetables' and looking at non-fiction texts about plants.

We will be writing a recount of Oliver's visit to Grandpa's house. We will be learning to spell the days of the week for our recount writing.

We will also be learning to write instructions using bossy verbs.

Roots, Shoots & Muddy Boots! Year 1 Spring 2 2024

RE

We will be learning about the feelings happy and sad.
We will be looking at the Easter story and how it is important to Christians.

Music

The children are learning to play the recorder and sing simple songs.

Red text are **SMSC opportunities** (Social, moral, social and cultural)

The **intent** of this topic is to learn about living things and know what things need grow and thrive.

Maths

We will be continuing to count in 2s & 10s. We will be looking at simple multiplication through repeated addition and simple division through sharing.

We will also be solving addition and subtraction problems and recording number sentences using the + - & = signs.

We will be looking at coins and their value.

PE

We will be learning team and target games.

Geography

We will be continuing to learn about the UK focusing on Wales & Northern Ireland this half term.

Forest Learning

We will be continuing to look for seasonal changes and **exploring nature**.

We will be looking closely at types of trees (deciduous and evergreen) and the signs of Spring.
