

**The intent** of this topic is for children to be a part of nature and to experience and explore natural life in the world around them. Our literacy journey links in and continues to highlight the importance of protecting and respecting our environment.

### Jigsaw

We will be talking about how to live a healthy lifestyles and the importance of a balanced diet and exercise.

### DT

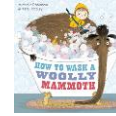

We will be creating a healthy salad pot full of nutrients and colour. They will have to design an appealing product and create it themselves before being able to enjoy it!

### Geography

We will be continuing to learn about the seven continents and five oceans of the world.

### Literacy

We will be focusing on writing a recount of Clem's journey to the beach from our text Clem and Crab as well as writing instructions on how to wash certain animals! We will also write our own narratives which is exciting!

## All Creatures Great and Small Year 2 – Spring 2 2024

### PE days = Tuesday & Thursday

Please ensure your child comes to school in the correct PE kit/uniform.

### Library day = Thursday

Please ensure library books are in book bags on Thursday mornings.

**Please send book bags into school every day.**

### Science

We will be learning about the life cycles of animals.

### Maths

We will be revisiting multiplication and division as well as number and place value. We will link money through these units to help support children's understanding of different coins and notes. We will then be revisiting fractions and statistics.

### RE

We will be learning about the Hindu celebration of 'Holi' and the welcoming of Jesus in Christianity.

### Computing

We will be using Purple-Mash to look at creating spreadsheets linked to our topic about creatures.

### PE

We will be continuing our learning of ball skills as well as integrating striking and fielding.
