

Design Technology

We will be making models of moving vehicles. The children will learn about wheels and axles.

Art

We will be looking at sculptures by Andy Goldsworthy. We will be creating our own sculptures using natural materials.

Music

The children will be learning to play the African Drums. Copying rhythms and beats. We will be performing what we have learnt to an audience. We will continue to learn songs and rhymes.

History

We will be looking at old and new toys and thinking about how they have changed over time.

PE

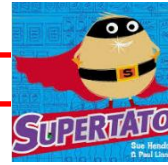

The children will be taking part in athletics activities in outdoor PE and learning racket skills during indoor PE sessions.

PE days:

Mondays = indoor PE

Fridays = outdoor PE

The intent of this topic is to gain knowledge of how toys have changed over time.

Literacy

We will be reading lots of Superhero stories. We will be creating our own Superhero vegetables and record information about their superpowers.

We will be focusing on using the word endings 'ed', 'er' and 'est'

We will also be writing our own Superhero short story.

Heroes & Villains!

Year 1

Summer 1 2024

PSHE

We will be learning about relationships in our Jigsaw learning. We will learn about families and how to make positive friendships with others.

RE

We will be learning about the concept – Remembering. We will be learning about Hinduism and the Hindu god 'Krishna'.

Maths

We will be continuing to count in 2s, 5s & 10s. We will also continue to practise our number bonds to 10 and use this knowledge to find our number bonds to make 20.

We will continue to add and subtract numbers within 20.

We will be learning about 3D shapes and their properties.

Geography

We will be naming and locating the 4 countries of the United Kingdom and their surrounding seas. The children will name the capital cities of the countries in the UK and talk about some of their characteristics. We will be looking at and drawing maps of the local area and our school grounds.

We will also be learning about physical and human features in the world around us.

Science

We will be learning about the seasons and looking at seasonal changes.

Computing

We will be creating our own e-book using the Purplemash software. We will add animation and sounds to our stories.
