

**The intent** of this topic is for children to explore and make their own conclusions about the events of the Titanic disaster. The children will be able to ask and answer questions and consider how things change over time as well as go on an exciting trip to the Seacity museum!

### Jigsaw

We will be talking about relationships.

### Art

We will be exploring line drawing and following the work of Ken Marschall as well as making some hats for the passengers.

### Geography

We will be recapping the oceans as well as looking at compass points, linked to the Titanic.

### Literacy

We will be focusing on writing a non-chronological report about facilities available on the Titanic. We will then focus on Samson's Titanic Journey and write a recount from another animal's perspective.

### All Aboard!

Year 2 – Summer 1 2024

### PE days = Tuesday and Thursday

Please ensure your child wears their PE kit into school.

### Library day = Thursday

Please ensure library books are in book bags on Thursday mornings.

**Please send book bags into school every day.**

### Science

We will be looking at how new plants are made.

### Maths

We will be revisiting the four operations and doing so through the context of money. We will be looking at mass and capacity and linking it to our topic on the Titanic. We will also be looking at position and direction.

### RE

We will be learning about Authority.

### History/Computing

We will be looking at the events of the Titanic and finding out about the facilities available. We will also be sending fictional emails to Captain Edward Smith.

### PE

As the weather improves, we will be looking at athletics and continuing our learning on ball skills.
