

English

We will be using books by MP Robertson to help us create our own short stories and a non-fiction report about dragons. We will also be learning about the Great Fire of London and writing diary extracts.

Hook for learning –

What did we find in the Year 2 garden?

The intent of our topic this half term is to enable the children the opportunity to apply known skills from across the curriculum independently and in a new context.

We will also be supporting the children emotionally and academically for their transition to Junior School. We have lots of activities planned to facilitate discussion about transition as well as exciting opportunities to meet new teachers and share our learning.

Maths

In maths we will be learning...

Place Value & Four operations

We will be continuing to practise and apply the methods we have been taught to solve addition, subtraction, multiplication and division problems. This includes unpicking word problems using POLYA.

We will also be looking at how to partition numbers in different ways and represent these numbers in different ways

We will continue to practise our 2, 3, 5 and 10x tables.

Art

We will be creating our own dragon's eye sculptures using clay.

Fire and Ice

Summer 2 2024

PE

In PE this half term we will be practising our athletics skills for sports day and looking at net and wall games.

RE

'Creation'

We will be looking at creation stories from both the Christian and Hindu faith.

Jigsaw

'Changing Me'

This half term we will be looking at our bodies and how they change, including the life cycle of humans.

Science

How are different animals adapted to live in hot and cold places?

Computing

We are learning all about how to create our own music using the computer.
