

This half term **our intent** is for the children to understand the impact of plastic pollution and how they have a responsibility to help protect our planet. They will learn about the importance of reducing waste, reusing items and recycling

certain types of rubbish.

Jigsaw

We will be talking about our dreams and goals for the future.

Art

We will be exploring marbling and using this technique to form a background for our plastic pollution art-work.

Geography

We will be exploring the oceans and continents of the world as well as comparing our country with a non-European one.

Literacy

We will be using the book 'A Planet Full of Plastic' to find out more about plastic pollution and how it affects the environment. Then we will be creating our own poems about plastic pollution.

Kinetic letters – we will be focusing on joining some of our letters.

Planet Protectors Year 2 Spring 1 2025

PE days = Monday & Thursday

Please ensure your child comes to school in their PE kit.

Library day = Tues/Weds

Please ensure library books are in book bags on these mornings.

Please send book bags into school every day.

Computing

We will be using the computers to begin our unit on giving instructions (algorithms) and de-bugging sequences of coding to make a picture move.

Maths

We will be looking at adding and subtracting whilst 'bridging through' ten. We will also be exploring fractions and delving into multiplication and division, solving worded-problems.

Music

We will be exploring the genre of rock and using movement too.

Science

We are learning about pushes and pulls and how these forces effect the movement of objects.

PE

On Thursday with CM Sports, the children will be taking part in Street Dance. We will also be putting together a sequence of movements in gymnastics.
