

The intent of the topic is for children to be a part of nature and to experience natural life by going into the forest. Our literacy links in and continues to highlight the importance of protecting and respecting our environment.

Jigsaw

We will be talking about how to live a healthy lifestyles and importance of a balanced diet and exercise.

PE

We will be continuing our learning of ball skills as well as integrating striking and fielding.

Geography

We will be continuing to learn about the seven continents and five oceans of the world, focusing on place knowledge.

Literacy

We will be focusing on writing a recount of Clem's journey to the beach from our text Clem and Crab. We will also be writing a set of instructions on how to wash particular animals. Lastly, we will write our own narratives which is exciting!

All Creatures Great and Small
Spring 2 – 2025

PE Days = Monday & Thursday

Please ensure your child comes to school in the appropriate PE kit.

Library Day – Weds/Thurs

Please ensure all books and reading diaries are always kept in bookbags.

Please bring these into school every day.

Science

We will be learning about the life-cycles of animals.

Maths

We will be revisiting multiplication and division as well as number and place value. We will link money through these units to help support children's understanding of different coins and notes.

RE

We will be learning about the Hindu celebration of 'Holi' as well as the Christian idea of 'Welcoming' around Easter time.

Computing

We will be focusing on coding and being able to program and debug a character's actions.

DT

We will be creating a healthy salad pot full of nutrients and colour. They will have designed a product before completing it and then enjoying!
